Dear Sir;

Enclosed is a copy of all the troubles on the Network last night in the form of a trouble log sheet. We received nothing between 9:05 and 9:30 except two male voices saying, "How do I come in?" and, "Your level is fine." at about 9:20.

I would also like to call your attention to the fact that the Bulletin News came in about one minute late each time last night.

As is noted, the hum level when WSRN was on made the program carried impossible to use. We checked the signal on the line itself, and the hum was still there, so we feel that it was not due to our equipment.

Sincerely Yours,

R. N. Hazelwood
